Dear Sir or Madam:

We would like to invite you to the official launch of the Kako Foundation scheduled for December 11, 2009 from 5 to 7 p.m. at the *Oxygène* Terrace of the Montana Hotel. The goal of the evening is two-folds: generate publicity for the Foundation while raising funds for its operation.

The Kako Foundation is non-profit organization founded on December 23, 2008 with the mission of combating violence and work towards peace through the arts. Since its inception, the Foundation has created a unique musical program where an average of forty children meet weekly after school to learn to read music and play an instrument.

The Kako Foundation was created after the kidnapping, torture and death of 16-year old Kareem Xavier Gaspard, better known as Kako to those who love him. Kako was a music lover and the Foundation wants to honor his memory by offering to our youth an alternative to violence through the arts.

Knowing your personal engagement in social causes, we would be honored to count you among our guests and would be happy to have your support for the Foundation

We look forward to hearing from you.

Best Regards,

Françoise Bouzi
